*\$4 prescriptions are for up to a 30-days supply of a covered drug at a commonly prescribed dosage for \$4 per prescription fill or refill. Your participation in certain prescription drug coverage plans may entitle you to pay even less than \$4 for certain prescriptions. If you are eligible, you will be charged the lowest applicable amount. You can get these prescription drug savings whether or not you have any prescription coverage through your company, under Medicare, or any other plan. The list of covered drugs is subject to change. Not all prescription drugs are covered by this program.
